

It Really Does Relieve Rheumatism
Everybody who is afflicted with rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's Liniment almost immediately relieves the seat of pain, relieving the hot, tender, swollen feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it

does give almost instant relief.

Depend On Us—We're Careful!

The doctor gives you a prescription. It's a little piece of paper with some Latin words and queer signs. You probably don't understand the recipe. The druggist does. He'll tell you he can fill it. Now, suppose he hasn't all the drugs needed and fakes it. Suppose he makes a mistake. It may harm you or it may not. Don't take any chances. We put up prescriptions carefully and properly.

CAMPAIGN FOR CLUB ROOMS

Board of Directors of Alliance Commercial Club in Favor of Establishing Rooms or Building

The need of club rooms or a home for the Alliance Commercial Club, in order that all the members might be benefited thereby, was thoroughly discussed at the regular weekly meeting of the directors on Monday at the Silver Grill cafe.

J. G. Dole, Burlington master mechanic, told of the club rooms maintained at McCook by the Commercial Club of that city and of their benefit to the club. He was strongly in favor of either a home or rooms for the club.

Secretary Fisher told of the club rooms maintained by the Elks, Eagles and fire department. He stated that in order to maintain the interest of the younger members of the club, it would be necessary to provide them with a place to go and enjoy themselves, such as club rooms would provide.

Rev. H. J. Young told of the weekly dinner held by the David City commercial club and its benefits. Anyone is allowed to attend there at a cost of twenty-five cents. They have an attendance of from forty to seventy each week. The farmers take an active interest there and attend the dinners. Rev. Young emphasized the need of a building for the Alliance club.

Secretary Fisher told of the weekly club dinners held by the commercial organizations at St. Paul, Beatrice and Hastings. He presented plans for the basement of a club building which would contain the following rooms: Size of basement, 130x45 feet; reading room, 8x15; committee room, 10x15; billiard room, 12x15; office, 10x15; gymnasium, 45x70; locker room and two shower baths. Excavation would be made for the swimming pool but it would be covered over until the upper floor was added. The ladies gymnasium class would be allowed the use of the gym and a rest room would be provided for the ladies. An estimate by an Alliance contractor placed the cost of the completed basement as planned by Mr. Fisher at from \$3,700 to \$4,000. Two lots suitably located can be purchased for \$1,500 on terms of \$500 in cash and five years' time on the balance at six per cent interest. Mr. Fisher stated that he could easily add 200 new members to the club if the new building was started in this way.

Directors Newberry, Rodgers, Hampton, Mallery, Spencer and Sallows spoke on the proposition. They were all in favor of the appointing of a committee for the purpose of investigating the matter and reporting on the same at the next monthly club smoker, to be held one week from next Friday, December 11th. President Guthrie, on motion, appointed Messrs. Mallery, Young, Dole, Fisher, Thomas of The Herald, Sallows of the Times, and Miller of the News, as the committee. The matter of club rooms or new building will be thoroughly threshed out and decided on at the smoker.

Keep It Handy for Rheumatism

Newspaper Ethics
Every once in a while someone brings in printing with a request that it be kept a secret. Perhaps a little information concerning the rules of newspaper offices and printing plants will not be out of place. One of the first things an apprentice is taught is absolute secrecy concerning anything that is done in the office. He must not give out information as to what kind of printing is being done nor give any notice of what is to appear in the paper. Another rule is that the copy book is sacred—that is, outsiders must not read its contents neither should they read the copy before the compositor. This last is considered by the average printer as ill bred as the reading of private correspondence. All proof sheets and in fact the paper itself is considered private office property until it is delivered to the public.

Constipation, if Neglected, Causes Serious Illness

Constipation, if neglected, leads to almost innumerable complications affecting the general health.

Many cases of typhoid fever, appendicitis and other severe diseases are traceable to prolonged clogging of the bowels. Regarding the effects of constipation, C. E. Ayers, 6 Sabin St., Montpelier, Vt., says: "I was afflicted with constipation and biliousness for years, and at times became so bad I became unconscious. I have been in that condition many times. I was unable to do any good. I would become constipated for days at a time could do nothing. Not long ago I got a box of Dr. Miles' Laxative Tablets, and after using them found I had never tried anything that acted in such a mild and effective manner. I believe I have at last found the remedy that suits my case."

Thousands of people are sufferers from habitual constipation and while possibly realizing something of the danger of this condition, yet neglect too long to employ proper curative measures until serious illness often results. The advice of all physicians is, "keep your bowels clean," and it's good advice.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory, your money is returned.
